2021 DURANT MADRONE BLOCK PINOT NOIR

This is one of Patricia Green Cellars' most boisterous, fruit-filled, and immediately delicious Pinot Noirs, but still possessing plenty of cellar potential and complexity. Intense aromas of red berry and cherry fruit with hints of blood orange, spice and berry blossom accents jump from the glass. In the mouth, tons of generous ripe and fresh fruit flavors really coat your palate with a sense of density and flesh, but absolutely zero excess weight or fat. Finishes smooth and generous and with a very satisfying note of spice.
