## 2022 CHEHALEM MOUNTAIN VINEYARD

#### PINOT NOIR

"What a delicious bottle from the very first sip. A multi-clone mix from a vineyard first planted by the legendary Dick Erath. This is a totally luscious, berry-loaded wine that bursts across the palate and holds there through a juicy, lingering, baking spicy finish. Out of so many young new releases from PGC, this one is clearly one to own – fine value, good quantities, thoroughly delicious."
